IMPACT

Inspired by US Navy SEALs (Frogmen), the Navy SEAL Foundation's Joggin' for Frogmen Race Series brings communities and families together to jog in honor of the Naval Special Warfare (NSW) community and their families.

Over the last eight years, sponsors for the Navy SEAL Foundation's Joggin' for Frogmen Race Series have been the catalyst that allowed a small idea for a running team to turn into a national race series that honors military service and embodies the spirit of patriotism and philanthropy. Beyond the direct impact on the Naval Special Warfare (NSW) communities and the cities that the races are held, we are building stronger warriors, stronger spouses, stronger children, and stronger communities.

Last year, the 2019 Joggin' for Frogmen Race Series raised over \$500,000 net contribution. This brings the total raised since 2012 to 2.3 million dollars to the military community. This is an accomplishment that the Joggin' for Frogmen team is incredibly proud of and would not be possible without the continued support of our sponsors.

EFFICIENCY

Joggin' for Frogmen race and administrative expenses are fully funded through participant race registration fees. This allowed for 100% of the Veterans United Foundation's \$40,000 sponsorship of the 2019 Joggin' for Frogmen Race Series to directly support the programmatic efforts of the Navy SEAL Foundation.

Like the community it serves, the Navy SEAL Foundation is a solid, high-performing organization committed to excellence. 95 cents of every dollar donated goes directly to current or future programs. This year the Navy SEAL Foundation received its 8th consecutive 4-star rating and its fourth 'perfect 100' score from Charity Navigator, a top charity watchdog, for sound fiscal management and commitment to accountability and transparency (top 1% of all rated charities). They are a Guidestar Platinum charity, accredited by The Patriots Initiative and are certified as a "Best In America" charity.

PROGRAMS

The Navy SEAL Foundation has five core areas of support that follow a service member throughout their career: Warrior & Family Support, Educational Opportunities, Tragedy Assistance & Survivor Support, Warrior Transition, and Legacy Preservation. As we continue to serve the NSW community in 2020 through the Joggin' for Frogmen Race Series, we are asking Veterans United Foundation for a \$100,000 grant to support the Navy SEAL Foundation's programs that assist "Veterans Transitioning" and provide "Education and Youth Services". The Navy SEAL Foundation's programs are specifically designed to address the unique needs of the NSW community.

Today's world is a safer place thanks in large part to our U.S. Navy SEALs and the NSW community, but not without a significant sacrifice from those warriors, support personnel, and their families. There is the sacrifice of time as families are apart; the sacrifice of safety for those risking their lives; and, at times, the ultimate sacrifice—losing their lives for the pursuit of freedom.

The Navy SEAL Foundation continuously develops, evaluates, and refines their program offerings, ensuring the NSW community and its families are receiving the best support and care possible as they accomplish their mission, both abroad and at home.
